*Disclaimer for quarterly meeting registrants:*

*As we continue to deal with the impact of the pandemic on staffing shortages in our ASCs and COVID variant outbreaks that leave people feeling under the weather, we now ask that any registrant that is unable to attend for any reason at all to notify Patrick Stewart at least 10 days in advance of the meeting date. This will allow us to avoid expenses associated with no-shows. We understand that things can come up last minute, too, so notification within that 10-day period is not always possible. We appreciate your cooperation.*
